Date: 10 November 2026

Prior to the start of the meeting, public participation will take place.

Members of the public and press are entitled to be at public meetings in accordance with the Public Bodies (Admission to Meetings) Act 1960 amended by the Openness of Local Government Bodies Regulations 2014, unless precluded by resolution of the Council during the proceedings owing to the confidential nature of business to be transacted.

Questions and comments are invited from members of the public immediately prior to public meetings. **The session is limited to 15 minutes and to a maximum of three minutes for each participant.** At the Mayor's discretion (or chairman of the meeting) the limited time may be extended. Spaces are to be booked through the Clerk in advance of the meeting by email **office@glastonbury.gov.uk**, telephone **01458 831769** or the Council reception desk in the Information Centre and are allocated on a first come first served basis. As issues raised may not relate to items on the agenda, no resolution for action can be taken and there will be no discussion. A record of public participation is not required for the minutes, but the subject matter will be noted.

Under the Openness of Local Government Bodies Regulations 2014, any members of the public are allowed to take photographs, fill and audio record the proceedings and report on all public meetings including on social media. It is helpful to let the Clerk's office know of any plans to film or record so that any necessary arrangements can be made to provide reasonable facilities to report on meetings. This permission does not extend to private meetings or parts of meetings which are not open to the public.

The Council has a general duty to consider the following in the exercise of any of its functions: Equal opportunities (race, gender, sexual orientation, religious beliefs, marital status and any disability), Crime and Disorder, Health and Safety and Human Rights.

    i. This Council recognises the increasing impact that short-term holiday lets, including properties advertised through platforms such as Airbnb, are having on the local housing market, community cohesion, and residential amenity within the town.

    Therefore, this Council resolves to:

    - Request that the relevant planning and housing authorities provide information on the scale and impact of short-term holiday lets within the town.

    - Write to the local Member of Parliament and Somerset Council seeking stronger powers for local authorities to regulate short-term holiday lets where they are having a detrimental impact on local communities. For example, the requirement of either a change of use or planning permission before any short-term holiday let is established so that local residents can be consulted.
