62. WELCOME AND INTRODUCTIONS

The Chair welcomed Cllrs Osborn and Roney-Dougal who have joined the working group. The Chair also welcomed members of the public who had come to observe, and offered to use the break at approximately 8pm to allow members of the public to meet the WG members and raise any points of interest/concern.

The Chair advised that unfortunately Cllr M. Oakden has resigned from the working group.

Looking forward to the future programme, the Chair reminded members that the final working group meeting will take place in February, so there was a pressing need to complete the various strands of investigation/research. To that end he expressed his thanks to the working group members who had volunteered to share their work at Agenda Items 6, 7 and 8.

Finally, the Chair advised the meeting that several members had reported being subjected to harassment and abuse as a result of their membership of the group. The Chair asked all members to report all such instances to him, and he will take all appropriate action in cooperation with the Town Council.

63. APOLOGIES FOR ABSENCE

No apologies received.

64. APPROVAL OF 20 OCTOBER MINUTES

The minutes of the October meeting were discussed by the committee, but not finally approved pending one outstanding point. It was decided to move on and return to that item.

66. REPORT FROM 'OTHER OPTIONS' SUB-GROUP

At this point, there was a significant disturbance from the public observation area, of such severity that the Chair called a vote on whether the meeting should be abandoned or whether the group wished to attempt to continue. By an overwhelming majority, the group decided to abandon the meeting. The Police were notified of the details of the disturbance.
