The reasons that B R Day Paving was awarded the contract that they were value for money for the committee and within the budget. The quote received confirms that they will comply with all Health & Safety requirements with considerations for the environmental while works are taken out. They also explained the polices that they adhere to.

The contractor from Dudley was the most expensive and from Birmingham their carbon footprint was considered to be too far.

C Goodland's quotation was smaller size than the others and not as the tender on the Government website. Was the second most expensive. The Committee Clerk will contact C Goodland to ask him to invoice for his time to help us with the original tender.

The Committee Clerk is to ask Goodland for dig the holes at Benedict's Courts ready for the new hoops.
