

## **Glastonbury Police Report**

The Glastonbury Police Team has been awarded the 'Angela Yeoman Award' this is in recognition of outstanding Commitment to Community Safety in the Avon and Somerset Constabulary Area...This was awarded today 13 April 2021. We are hoping to get a certificate to be displayed in the newly renovated Glastonbury Police Hub.

I would just like to say on behalf of the Glastonbury Police Team how grateful we are for the renovated Police Hub. It has made a huge difference to our working practices, myself and some of the team 'parade' from there daily and so cutting down travelling time from Street and Glastonbury. It is a lovely comfortable office that we now feel more secure working in and the public also feel more comfortable....so many thanks.

As from yesterday the Covid rules changed and the shops have now reopened and the pubs can entertain in their beer gardens. Most of the shops and pubs that were opening yesterday were visited by the Beat Team, it was obvious from the start that the atmosphere in the town had completely changed, there seemed to be a happiness about that had not been seen for a while. Most of the shop keepers were quietly optimistic about the coming months, but there were still worries about the confrontations regarding face masks. Beat team contact details have been given out and advice given about putting themselves in any kind of danger when confronting people.
