

**Glastonbury Town Council**  
**Somerset County Councillor Report - March 2020**

**Glastonbury Living Spaces Panel at MDC**

Continuing communications between Wessex Water & Mendip on odour zone & any possible mitigations with estimated costs.

Communications with SCC on land in Glastonbury are not promising, mainly because of the flood zone.

<https://flood-map-for-planning.service.gov.uk/>

Engagement with Jinny Uppington of Smart Communities on audit of people living on the roadside.

**Glastonbury Town Fund**

I took notes at the recent Extraordinary Meeting of GTC on the Town Fund and have reported back to Peter Goater, Portfolio Holder for Economic Development at Mendip.

I have arranged a visit to Glastonbury by Ros Wyke, Leader at Mendip, to see all the possible sites for regeneration.

Old photographs and documents including Beckery are proving to be very useful Please let me know if you find any others and I can arrange for them to be scanned and fed into the evidence base for the project.

**Small Improvement Schemes**

The 20mph zone for the Town Centre – still chasing a site visit on signage.

Safer crossing in Chilkwell Street – drawings have been complete for some time, continuing to chase as the number of visitors increases this time of year.

**SCC Improving Lives Fund**

Grants have now been paid to the Town Council for projects at St Dunstons House and at Red Brick garden, thanks to Jane for administering the monies. I look forward to seeing the results and hope that we can arrange photos for press.

**SCC Scrutiny Meeting – 5G**

The 5G item at the March Scrutiny meeting is at SCC this Wednesday 10am in the Council Chamber.

**Major Road Network**

Now off my list of work for Glastonbury.

**Bretenoux Road**

Trying again for parking restrictions at request of residents of Redlands Estate.

**Future of Local Government in Somerset (FOLGIS)**

The four Districts in Somerset are continuing their work on an alternative plan for Somerset.
