

District Councillor's report

Steve Henderson Dec '21

I have not had any meetings at MDC this month but am continuing my weekly get togethers at Tor S&L.

The Cricket Club has now joined these meetings along with reps from, Fusion, Glastonbury FC, Wyrall Park Bowls Club, Edge Acrogym, Jane Sharp of MDC and Nathan Mode of Dome marketing.

This week we were meant to be introduced to the Project manager, Thomas Bean of Pick Everard but unfortunately he is recovering from Covid so that has been postponed until Dec 20th. I won't be able to make that meeting but will catch up in the new year.

I have had reports of extractor fans being fitted at the back of the old William Hill property that are not on the plans. As you know excessive noise was a big concern of residents so I have written to the officer to investigate these claims.

Merry Christmas and a Happy New Year
