

District Councillor's report Jan '22

Steve Henderson

I attended, virtually, the Full MDC Council meeting on the 20<sup>th</sup> Dec.

The main discussion and vote on the night was the adoption of the Local Plan part 2.

Although there was a lot of unease and dissatisfaction with the Plan, mainly because of the amount of housing designated to be built in the North East of the District, it was voted through fairly comfortably.

This now clears the way for work to resume on the adoption of Glastonbury's Neighbourhood Plan.
