

Repair Café

IS COMING TO GLASTONBURY!

Saturday 25th September

St Edmund's

Community Hall

10am-12pm

Chinnock Road, Windmill Hill

Behind the shop.

Repair Café is somewhere you can bring your broken items to be mended, learn how to mend them and prevent them going into landfill. Save money, learn skills and reduce the waste mountain!

And all this for a donation. Refreshments will also be served, again for a donation, and there will be useful information about living a sustainable lifestyle.

Email: glastonburyrepaircafe@gmail.com
