

## Police Report – December 2019

Please find below the report for this month, giving details of the Glastonbury neighbourhood teams commitments over the last month.

- Sessions have continued with the Mini Police cadets and this month have included a First Aid session, training to be Dementia friends and a session planning community projects.  
The children have decided that they would like to visit the elderly over Christmas to sing Carols and keep them company so we have arranged to attend St. Benedict's nursing home for Bingo and Christmas carols. They would also like to put together 'Shoebox gifts' to hand out to the homeless. Items including Chocolate, Sweets and toiletries are currently being collected at school. They will be packed next week and handed out at the St. Benedict church soup kitchen on the 20th December.
- The team have continued weekly ASB patrols with Mendip enforcement officers.
- PCSO LINDSELL, PC UPSHALL and I have been working closely with the MH team to try and assist a homeless male with MH issues, who is causing nuisance throughout the town. The male has been dealt with positively and arrested for a number of low level offences with an aim to try and get him the support he requires. As a result of this intervention he has now been detained by the Mental health team.
- The whole team have been involved with carnivals which went well from a Policing point of view.
- PCSO BRADLEY and PCSO ROWLANDS completed day of action with the ELIM connect centre.
- PCSO BRADLEY has run two beat surgeries at Launder close and Monmouth close, Glastonbury, which was well attended and proved very popular.
- The team have been running weekly beat surgeries in cafes throughout the town centre.
- PC UPSHALL has arrested a male wanted on warrant, after being assisted by members of the community ref his whereabouts.
- PCSO BRADLEY and PCSO ROWLANDS have attended youth club at the Red brick building this week to catch up with the younger members of our community.
- We have managed to secure funding (from the Avon and Somerset constabulary proceeds of crime fund) to fund an educational session for both St. Dunstan's and Crispin school in the form of a visit from Paul Hannaford. Paul is an ex-drug user and gang member who attends schools around the country to provide a hard hitting presentation to youths, in the hope of preventing them going down the same route.

Hope you all have a lovely Christmas

Kind regards
