Abbey Park's AVALON

There Was Once A Young Traveller,
Journeying On,

And Found The Enchanted Isle;

They Explored The Castle,
Ancient And Grand,

Then Climbed The Tor
Above The Land...

Suddenly The Hillside Trembled With A Roar,

And A Great Red Dragon
Rose From The Tor!

Back To The Castle
The Traveller Ran

To The Sword In The Stone
From A Legend's Plan...

They Pulled It Free,
Raised It High With Cheer,

The Red Dragon Bowed
As The Traveller Drew Near.

Peace Filled The Castle,
The Valley And Sky,

And Avalon Shone
As The Clouds Drifted By!

 3. All installation measurements should be taken from the supplied installation instructions
 4. Any discrepancy found between information shown and measurements taken from site should be reported to eibe immediately

GENERAL NOTES
If not indicated on this plan, north point must be confirmed prior to installation to ensure that slides do not face due south.
Exact positions & orientation of new items may be subject to a final site survey and setting out plan.
Any inconsistencies on site should be verified with eibe before commencement of work. eibe recommend that existing trees are risk-assessed by the client to ensure the integrity of accessible branches, that overhanging limbs do not conflict with new play equipment or vehicle access and that the canopy will not produce excessive leaf drop which could cause a hazard within the play area.
This design layout conforms to the relevant EN Safety Standard.
