quiet place**
planting, music &
seating with games

Picnic Table
activity top with
Snakes & Ladders
and Chess games

Flower Drum
Designed for musical fun, the Symphony Tongue Drum Flower encourages children to create melodies while building coordination and memory skills.

Cam Chimes Music Panel
Designed for all children to enjoy musical play, the 5 Tube Cam Chimes Musical Panel inspires exploration through fun melodies and rhythms.

Magic Mixer Play Panel
Magical panel where you can become a wizard and create your own magic potions and spells.

Wizard Springie
The ideal accompaniment to our the Wizard Springie delivers rocking fun for younger children. Its design also features a side transfer system, enabling easy access for wheelchair users.

Wheelchair Roundabout
Designed to offer inclusivity, functionality and durability, without compromising on the fun that children and carers can enjoy, whilst experiencing the spinning motion together.

Communication Playground Panel
Fitzgerald Key Communication Panel designed specifically for children who have difficulty communicating verbally, such as those with Autism.

Whirly Bob
The Whirlybob is a simple rotator designed for younger users. It is centred around a single revolving pole.

Group See-saw
Our inclusive seesaw has been designed for children of varying abilities to play together, side by side. One of its 5 play features is a unique cutaway feature which enables users to side transfer on to one side of the seesaw so that parents and carers can use the cutaway to support children whilst they play.

3D Frog
Friendly Frog tactile, colourful and he doesn't mind if you take a seat.

Seat with back & armrests

Trampoline
Fantastic fun, these trampolines are perfect for physical play and developing coordination.

Inclusive Wheelchair Picnic Table
with activity top, Chess & Snakes & Ladders.

Themed Archway
Tactile engraved panels

Inclusive Bridge
Bridge with Ramps either end for easy transfer for Wheelchairs

Knight Hopscotch
Ground level interactive fun.
